Professional Qualifications:

First Class Master of Science Degree

Chartered Tax Advisor

Member of the Institute of Chartered Accountants

Professional Background:

Qualified as a chartered accountant with a top 10 accountancy firm. Worked with PricewaterhouseCoopers LLP (and its predecessor firms), most latterly as a tax director, for over 15 years. Joined Kilsby & Williams as a tax partner in September 2009 to continue to focus on serving owner managed businesses and provide them with commercial tax advice.

Background has primarily been in the field of taxation. Originally trained as an auditor with experience of leading audit assignments on clients ranging from subsidiaries of global companies to small family businesses. Has specialised in tax for over 20 years. Client list has included multi-national household names but, in the recent past, within the corporate sector has focused largely on privately owned companies.

Specialist Skills:

- Extensive experience of advising entrepreneurs and companies on managing their personal and corporate tax affairs. Has wide ranging experience of advising businesses and their owners on acquisitions, disposals, mergers, management buy-outs, private equity deals, demergers and AIM listings.
- Has advised on incentivising management including share scheme planning.

Outside Interests:

Much of Mary's spare time is spent acting as chauffeur for her family. When she has any spare time she enjoys reading, gardening, running and eating out.
