Professional Qualifications:

Honours Degree Civil Engineering Imperial College

Member of the Institute of Chartered Accountants

Professional Background:

Noel specialises in business advice specifically in relation to turn around situations, he is also an expert witness in accounting matters. Before joining Kilsby & Williams, Noel was group financial director of Hawtin PLC for ten years. This quoted company operated in the leisure industry. At Hawtin Noel's responsibilities included group financial control, internal audit, funding, acquisitions and disposals and dealing with the group brokers. Within the group he was managing director of several subsidiaries. He has a track record of successful company turnarounds including Barclay Leisure, at the time the UK's largest sunbed manufacturer and Spaform, Europe's leading spa manufacturer. He also sat on subsidiary boards as a non-executive director.

Noel started his career at Touche Ross where he qualified as a chartered accountant and was promoted to senior manager before leaving to join Hawtin PLC. Before taking up accounting Noel attended Imperial College London where he gained an honours degree in Civil Engineering. Joined Kilsby & Williams in 1999 and appointed partner in 2001. Noel retired as managing partner in 2016 but continues to look after clients.
