Associate, Kilsby & Williams LLP

jonathan.harrhy@kilsbywilliams.com

01633 653 188

Professional Qualifications:

Cardiff University BSc (Hons) Accounting Degree 2:1

Qualified as a Member of the Institute of Chartered Accountants

Professional Background & Specialist Skills:

Moved to Kilsby & Williams in 2007. Portfolio of clients in business services varying from accounts to full company audits in a wide variety of business sectors. Portfolio includes clients whose businesses vary in size from those with turnover around £100k to in excess of £40m. Involved in producing forecasts for business plans, grant audits, management accounts, company valuations and due diligence reports.

Specialises in providing clients with advice on implementing and improving financial systems and controls. Past assistance has included the performance of 'Quasi Financial Controller' services and the implementation of new software systems. These services have been provided to a private hospital, hotel and conference venue, subsidiary of a quoted Swiss company involved in software development and a steel fabrication company. Promoted to Senior Manager in January 2013 and Associate in July 2016.

Previous roles:

Joined Houghton Stone Chartered Accountants in 2003 in a graduate position as a Student Chartered Accountant of the ICAEW. Progressed to audit senior in the Audit & Accounts department. Main roles were to produce accounts for sole traders, partnerships and limited companies, run audits from planning right through to completion, production of VAT returns, prepare management account and the audit of FSA regulated insurance brokers.
