Professional qualifications:

Honours Degree 2:1 Business Studies

Fellow of Association of Chartered Certified Accountants

Professional Background & Specialist Skills:

Joined Kilsby Williams in 2017 as an audit and accounts manager looking after a portfolio of corporate clients. Role includes statutory audit work, management and year end accounts preparation and software training. Has a wealth of experience with legal practices, Solicitors Accounts Rules and client accounting software, namely Sage 50 and Xero.

Previous roles:

Broomfield & Alexander, Cardiff dealing with accounts preparation for small businesses, management accounts, Solicitors Accounts Rule audits and accounts systems implementation and training. My role also involved managing a small portfolio of legal practices and limited companies.

Completed my accountancy training with Haines Watts, Cardiff. Roles included accounts preparation and audit work for small businesses and charities.
